Plan Going Forward

Priority Deliverable

- **SSN Manual topics** - supplementary guidance, advice and examples of practice
- **Tools and Training** signposting and promotion – *Carbon Literacy, area-wide emissions, procurement, major projects...*
- **Reporting this year** — support for this year's reporting, including expectations on 2020 Order Duties
- **Reporting Reform** — stretching over 12-18 months – format, system, outputs...
- **Enhanced analysis** and linking to better to action Starting this year with **25th May SSN Conference**
- **Leadership** — aligning with SSN, support and **Capability Framework**
- **Legislation** — co-development of **Statutory Guidance**
- **Audit/Scrutiny** — linking above with work of **Audit Scotland**, internal audit and wider scrutiny/reporting

Hybrid Funding Model: Scottish Government; NHS Scotland; Local Authorities (SOLACE)
